the
COSETTE collection

Cosette takes on a feminine form with her slipcover-inspired lines. The wicker seems to puddle on the floor, creating an elegant, sweeping silhouette. The Cosette Collection's occasional tables contrast the soft, feminine forms of the seating with clean lines of a neoclassic French design. The aluminum antique-reproduction is dashing in a patina powdercoat finish with intricate moulding details.

the ADELINE collection

Adeline portrays the stylistic gestures of mid-century Danish modern design, employing ergonomics and simple beauty. The kicked back legs and low seating are founded upon the age-old modernist ideals of form and function.
